

Welcome to the **Southbury Business Association** and to our community, one of the best places in Connecticut to live, work and raise a family.

It's the start of a new year and your Board of Directors at the Southbury Business Association is hard at work to make it a great year for our members.

The SBA is THE resource for local business in greater Southbury. Promoting your business on our website and / or directory is a great resource for clients who want to stay local. The SBA also advocates for business thru the economic development commission and local government. We help your business grow.

We are planning a busy year with "Start Your Day with the SBA" and After Dark evening events and other special events throughout the year, including our 30th annual road/trail running event. Come on out and network... meet your new next lead and enjoy the support of other local businesses and fellow members.

This year we celebrate 50 years with a new directory, an updated website, and new enthusiasm.

On behalf of our esteemed Board of Directors we wish to extend our appreciation to our members for their continued support and participation in our programs. Sponsorship for all our events is available and a great way to promote your enterprise.

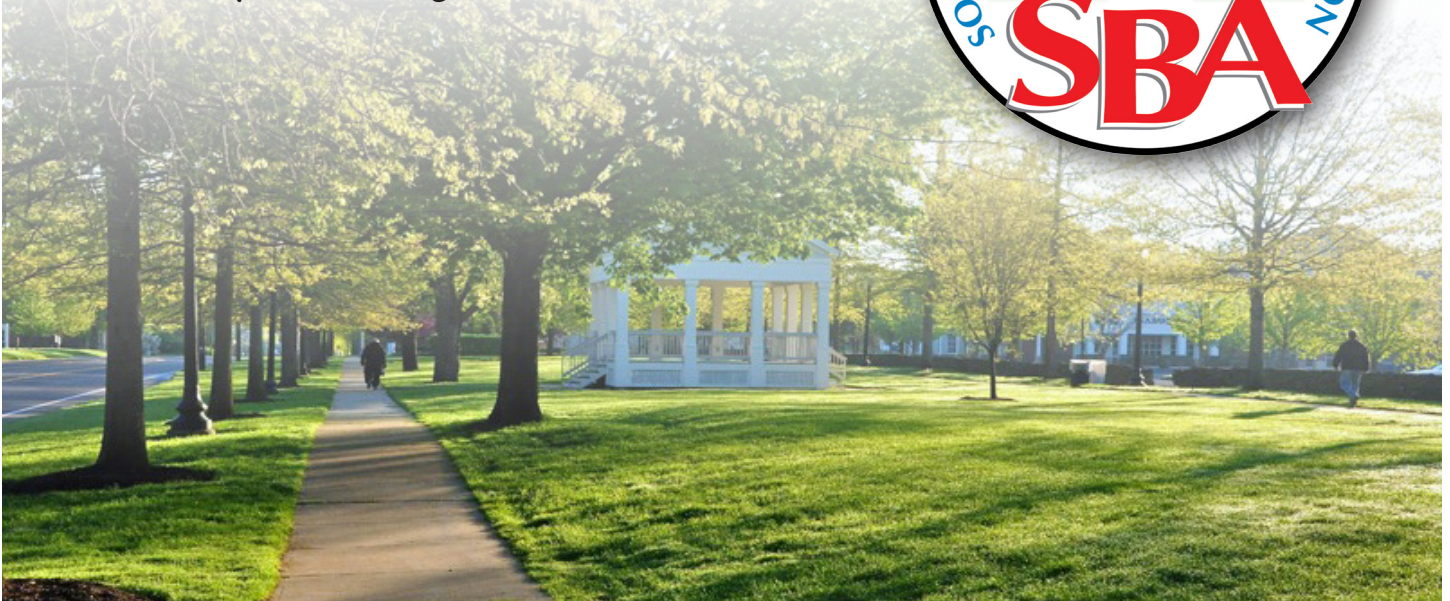

Make sure your membership is up to date. Join us today to grow your business. Membership in the SBA is an especially good value that plays an important role in securing your company's success in the long term. Be a part of the Southbury Community. Membership information is available at www.southburybusiness.org. Make sure you are listed there. See you soon.

Sincerely,

Jack Zazzaro, DMD
